Change is a constant. Change is inevitable. Change is a given.

We all have heard these and other anecdotes concerning change. One thing for certain, change has, is, and will continue to occur in Towamencin Township.

So let's look at the change that has, is, and will occur over the next couple of months.

- Montgomery Community College held a ribbon cutting ceremony at their Culinary Art Institute on Forty Foot Road. State, County, and Local dignitaries were in attendance. They opened to their first class the Wednesday following the Ribbon Cutting. Look for events at the Institute.
- Chick Fil A has applied for permits and will soon be constructing their facility on Forty Foot Road next to the Wawa.
- North Penn School District, Christopher Dock High School, and other schools have reopened for the 2013 – 2014 School Year. The school zone lights are operating again and all drivers are cautioned to watch for and obey the flashing school zone lights. The speed limit in those zones is 15 MPH. Please slow down around the schools.
- The Township will begin Budget Meetings soon. The date and time of the meetings are on the Township Website.
- With Fall comes the leaves dropping from the trees. There are a few facts you should be aware of in conjunction with cleaning up the leaves.
 - ◆ Homeowners should not blow leaves into the street or into the stormwater system.
 - ◆ Your trash hauler should provide you with a schedule for pick-up of leaves, and they will need to be in bags identified for that purpose.
- As we get into the Winter months, be mindful of Snow Emergency Routes, clearing your sidewalks, not plowing snow from your driveway into the street, and removing basketball nets, soccer nets and other items from the street when Snow Emergencies are declared. Slow down as conditions deteriorate. Watch out for others.
- And last, but not least, William "Bill" Webb has joined the Township Staff as Community Development and Enforcement Director.

JACOBS WOODS

Emergency Management

Who can forget Super Storm Sandy last year? Were you ready? Hurricane season will be with us through November this year, so let's look at some planning steps you should take, just in case.

- You should have a family plan for evacuation of your house, if necessary. Review it with your family. Make sure everyone knows what to do in an emergency, and if they have a role, what that role is.
- Does everyone know where to gather should you need to evacuate your house? Make sure everyone knows, and if you evacuate, everyone who was in the house is accounted for.
- If you have to evacuate to a relative's residence due to an extended loss of power and heat, make sure you take your medicines with you.
- If you are using an emergency generator, make sure it is not near the house where exhaust can be drawn into your home. Store gasoline for the generator in a shed in authorized containers.
- If you have lost power, notify your power company. Don't assume that because everyone else around you has lost power that the utility company knows.
- Don't touch or move downed power lines. Leave that for the professionals.
- Don't forget your pets and/or livestock.
- If you have an infant or toddler, don't forget the baby food, formula, diapers, toys and games.
- If you have an elderly neighbor, look in on them occasionally to ensure they are keeping warm and are secure.

There is a lot more that cannot be covered in this newsletter item. We have copies of the "Pennsylvania Emergency Preparedness Guide" at the Township Building. Stop in and ask for one and review it with your family. The time spent may come in handy when least expected.

From the Desk of Bill Webb, Director of Community Development and Codes

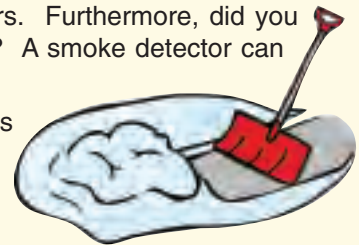

Greetings Towamencin Township Residents. I wanted to take this opportunity to introduce myself. I am the new Director of Community Development and Codes. I have worked in the codes industry since 2001 and take pride in what I do. I have my BA from West Chester University and also serve as a township supervisor at West Brandywine Township in Chester County. I have always been a community service oriented individual and feel that you as a resident are the reason I am here to begin with. Now on to the codes stuff.

We strive to provide superior customer service within the codes department but sometimes need your help to do so. Please keep in mind when applying for permits our applications list specifically what is required to be returned with the application. If you fail to provide all the information, it will delay your application being approved in-turn delaying your project.

With the change of seasons fast approaching, we must remind you that **it is your responsibility** to keep all **public and private sidewalks** clear of leaves and snow. This rule also applies if you have a fire hydrant located on your property. You will be required to clear these areas within 24 hours of the cessation of a snow or freezing rain event. The fine for non-compliance can be as high as \$1000.

On a final note, please remember to change the batteries in your smoke detectors. Furthermore, did you know the state recommends a smoke detector on each floor and in every bedroom? A smoke detector can save your life so please put them in.

The codes department is here to help you so if you have any questions or comments please do not hesitate to stop by our office and introduce yourself.

Recreation and Special Events Advisory Committee

The Recreation and Special Events Advisory Committee is looking for volunteers!! The committee is a volunteer group appointed by the Board of Supervisors to aid the Special Events Facilitator in the planning and execution of the various programs offered to the residents of the Township. The members attend a meeting every other month in order to plan, suggest, and organize events for the Township. The volunteer members bring fresh ideas, creative solutions, head subcommittees and aid in recruiting other volunteers for each event. We ask that each member attend at least 4-5 events throughout the year. Please contact events@towamencin.org for more information.

Towamencin Township Events are sponsored by

Towamencin Turkey Trot 5k Walk/Run

Date: Saturday, November 23, 2013

2nd Annual Joe Bacino Scholarship Fund

The annual drive to raise monies for the Bacino scholarship fund is underway. The Towamencin Police Benevolent Association will award two high school seniors with college funds. Joe Bacino was a Towamencin Officer for over 25 years. In his retirement, he worked in the capacity as a security officer with the special needs children at the North Penn High School. Joe was taken from us suddenly by a heart attack, yet his legacy lives on.

Financial contributions are being accepted, checks can be made payable to:

The Joseph Bacino Memorial Scholarship Fund (Univest Bank)

For additional information, please contact the TPBA at 215-368-7606.

American Red Cross Blood Drive

The Towamencin Township Police Benevolent Association will be hosting a blood drive on November 22, 2013 from 10:00am-8:00pm in the Township meeting room.

MAKE YOUR APPOINTMENT TODAY!

To schedule an appointment, go to www.redcrossblood.org and use sponsor code: TPBA or call 1-800-RED CROSS

The "Be the Match" organization will also be recruiting prospective bone marrow donors. They are seeking 18-44 year olds, who are in good health, and are willing to donate to any patient in need. Please visit BetheMatch.org for additional details.

Please come and help us support, Sabrina's Rockstars!

HELP US... HELP OTHERS FOR THE HOLIDAYS!!!

The Towamencin Township Police Benevolent Association will be hosting its 3rd Annual Holiday Food and Gift Drive. The project was created to provide food and children's gifts to families living in the North Penn area that have fallen victim to hard financial times or unforeseen circumstances.

In order to continue our success, we are counting on the community to pull together. Please support our drive by providing canned or dried foods, unwrapped children's gifts, gift cards, or by making a financial contribution that can be used to purchase the necessary items.

If you would like to help with this year's project, please contact Cynthia Yoder at (215) 368-7606 or cnyder@towamencinpd.org.

Financial contributions can be sent to:
Towamencin Police Benevolent Association
P.O. Box 325
Kulpsville, PA 19443

The 2nd Annual Running with the Pumpkins Car Show !

The event will be held on Sunday, October 20, 2013 from 10:00am to 4:00 pm at the Towamencin Corporate Center, 1690 Sumneytown Pike, Lansdale, PA 19446.

The event is open to all years, makes and models. The vehicles must be on the grounds by noon, judging to begin at 1:00 pm. Awards will be issued to the top 25 cars, with 8 specialty awards and Best of Show.

Pre-registration before October 12, 2013 - \$13 per car

Day of registration - \$15 per car

Dash plaques to the first 50 pre-registered cars!!

Music provided by JBS Entertainment-Food, fun, friends, music, and so much more!!!

For up to date information on this and other upcoming shows, be sure to check out www.fullhousemotorsportsllc.com

Please bring nonperishable food items for our Annual

Holiday Food and Gift drive for a chance to win a prize and help a family in need.

FROM THE TOWAMENCIN TOWNSHIP POLICE DEPARTMENT

For Emergencies, Dial 9-1-1 • Police Dispatch: 215-368-7600 • Administrative Office (non emergencies): 215-368-7606

WELCOME TO OUR THREE NEW TOWAMENCIN POLICE OFFICERS

The Towamencin Township Police Department hired three new police officers to fill vacancies on the force. All three officers were sworn in by Board of Supervisors Chairman Daniel Littley Jr. during Board of Supervisor Meetings this summer.

Officer Patrick Plover was sworn-in June 12th, 2013. Officer Plover is 23 years old and a resident of Bucks County, PA. He is a 2008 graduate of Pennridge High School and has completed college courses at both Penn State Abington Campus and Bucks County Community College. Officer Plover is a graduate of the Montgomery County Municipal Police Academy and served as a police officer with the Upper Perk Police District in Pennsburg, PA prior to coming to Towamencin Township.

Officer Andrew Hochmuth was sworn-in on June 26th, 2013. Officer Hochmuth is 27 years old and a resident of Bucks County, PA. He is a 2004 graduate of Central Bucks West High School and has attended classes at

Bucks County Community College. He has been active in the Warrington Township Fire Company since 2001, and is a graduate of the Bucks County Fire School. Officer Hochmuth is a graduate of the Montgomery County Municipal Police Academy and served as a police officer with the Doylestown Borough Police Department prior to coming to Towamencin Township.

Officer Christopher Check was sworn-in on July 24th, 2013. Officer Check is 32 years old and resident of Lehigh County, PA. He is a 1999 graduate of Whitehall High School and a 2003 graduate of Delaware Valley

College. Officer Check is a graduate of the Allentown Police Academy and served with both the Coopersburg Borough Lehigh County Police Department and the Hellertown Borough Northampton County Police Department prior to coming to Towamencin Township.

Left to Right; Officer Plover, Officer Check, and Officer Hochmuth

SCAM AND FRAUD WARNING

“MONEY PAK SCAMS” – There are various frauds and scams being perpetrated by computer and telephone communication involving the demand to pay fines with Money Pak Cards to avoid criminal prosecution or other alleged penalties. Most perpetrators claim to be federal law enforcement agencies. If you receive such a communication, notify police.

“PUBLISHER’S CLEARING HOUSE SCAMS” – People are being contacted by someone claiming to be from the Publisher’s Clearing House advising them they have won a prize. However, in order to claim it you must drive somewhere, buy a "Green Dot" card or Money Order, pay a shipping, handling, or delivery fee, prepay taxes, pay a deposit, give a credit card number, call a 900 number, or purchase a product with a 'discount voucher'. If you are asked to do any of the above or

provide any type of payment, fee or personal information it is NOT affiliated in any way with the real Publishers Clearing House.

Anyone who believes they have been the victim of a fraudulent act contact using the name of Publishers Clearing House may contact Publishers Clearing House at their toll-free number 1-800-392-4190.

Never immediately respond to these communications. Always contact the Publishers Clearing House directly to confirm, or if you are unsure what to do contact the Towamencin Township Police Department at 215-368-7600 or 215-368-7606.

Recycling Day! Almost Anything with a Plug!!!

Saturday, October 19, 2013 • 9:00 a.m.-1:00 p.m.

Family Worship Center • 1000 Troxel Rd, Lansdale, PA 19446

The Towamencin Township Police Benevolent Association (TPBA) is proud to offer the community the opportunity to responsibly recycle obsolete electronics.

This **FREE** service is open to the public. (Donations will be accepted) The proceeds will help the TPBA in supporting community based events! A portion of our proceeds will also be donated to the Family Worship Center youth program for the use of their facility.

Electronics will be recycled by eForce Compliance, Philadelphia's first certified Responsible Recycler.

All hard drives will be destroyed or wiped by eForce Compliance at their certified facility located in Philadelphia. All data Media will be Destroyed or Wiped.

Accepted Items:

Computers, laptops, small appliances, microwaves, cameras, cell phones, air conditioners, calculators, typewriters, telephones, fax machines, monitors, keyboards.... just to name a few. The eForce company will not accept smoke detectors, projector TV's, batteries or light bulbs. **Please see our website for a more detailed list, www.towamencinpd.org**

UPDATE- DUE TO POLICY CHANGES WE WILL NO LONGER BE ACCEPTING TV'S/MONITORS

*Note-Items will be accepted for disposal at the Police Department, Mon-Fri from 8:00am-4:00, until October 19, 2013, should you not be able to attend the event.

Any questions contact Cynthia Yoder at 215-368-7606 or cnyder@towamencinpd.org

Spring Stream Clean-Up

The Township Environmental Advisory Committee (EAC) is organizing a group of volunteers to participate in the Perkiomen Watershed Conservancy's 2014 Stream Clean-up. The Stream Clean-up will be on Saturday, April 12th from 9 AM to Noon. The location will be determined over the winter and more information will be provided on the Township website as April approaches. Stream Clean-up information is also available on the Perkiomen Watershed Conservancy's website. If you know of a stream that needs to be cleaned, please contact the EAC!

SCOOP THE POOP

Dogs for the Environment

Why? Pet Waste is more than smelly and unsightly. It is a health risk to pets, creeks, lakes and people, especially children. Pet waste left on trails, sidewalks, streets, and grassy areas are immediately flushed into the nearest waterway when it rains. Like human waste, animal waste may contain harmful bacteria and viruses, making the water unfit for irrigation, recreation or other uses. These bacteria and viruses can pose health risks to humans, such as Campylobacteriosis and Salmonellosis. In addition, pet waste contains nutrients that will speed up the growth of nuisance algae in lakes and rivers.

Be Prepared for An Emergency

The likelihood that you and your family will survive a house fire depends on having a working smoke detector and an exit strategy. The same is true for surviving other emergencies. Plan on having the tools and plans in place if disaster should strike.

Get a Kit of Emergency Supplies:

- Water, one gallon per person per day
- Food, at least a three-day supply of non-perishable food
- Battery-powered radio and extra batteries
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Filter mask or cotton t-shirt to filter air
- Moist towelettes for sanitation
- Wrench or pliers to turn off utilities
- Manual can opener
- Plastic sheeting and duct tape
- Garbage bags and plastic ties
- Unique family needs, such as daily prescription medications, infant formula, important family documents

Make a plan for what you will do in an emergency. Be informed about what might happen. Get involved in preparing your community (www.citizencorps.gov) For a more details, visit www.ready.gov

New "Rain Garden"

Among the recently installed improvements at Fischer's Park is a "Rain Garden." While under construction many park visitors questioned why the Township was putting a muddy pond in our beautiful park.

A rain garden is a shallow, constructed depression that is planted with deep-rooted native plants & grasses. It receives runoff from hard surfaces such as a roof, a sidewalk and a driveway. Rain gardens slow down the rush of water from these hard surfaces, holds the water for a short period of time and allows it to naturally infiltrate into the ground.

A rain garden can be thought of as a water quality system because it filters the runoff from roofs, parking areas, and lawns and recharges the groundwater.

Rain gardens are a beautiful and colorful way for homeowners, businesses and municipalities to help ease storm water problems. There is a growing trend by municipalities and homeowners to incorporate natural processes to help relieve flooding and pollution.

Why does that matter?

It's all about runoff. As our region's forests, farmland and other green spaces are paved over for highways, housing developments and shopping centers, the amount of impervious surface continues to grow. All this paves over

the ground's natural ability to absorb rainwater. The result is a wastewater treatment nightmare as the cost of improving local water quality to meet EPA standards will run in the billions of dollars--thousands of dollars per homeowner. Add to that the financial, environmental and health impacts of flash flooding along our rivers and streams, and you begin to see the breadth of the dangers that unmanaged storm water pose to our communities.

The bottom line: Rain gardens are a simple way to make a difference.

We can turn things around - One rain garden at a time.

Towamencin Township enjoyed it's 3rd Annual Towamencin Community Day this fall

It was a beautiful day that boasted 85 vendors and a bustling food court featuring: crepes, fried Oreos, Chick Fil A, Italian Water Ice, hot dogs, cheese steaks, and more! We had a wonderful performance by the Montgomery County Concert Band and Boy Scout's Color Guard that led into the Ribbon Cutting Ceremony to dedicate the new park improvements. The event featured performances by Amerikicks, Music 4 Nothin, Montgomery Township K9 Unit, and the Bridgeport Bocce League. Children were able to enjoy face painting, balloon animals, pony rides, inflatable obstacle courses, and police and fire activities for free! Overall it was a fabulous

Thank You To The Businesses!

This publication is made available through the generous advertising sponsorship of the businesses listed throughout our newsletter. We wish to encourage your patronage of these establishments; they play a substantial role in the economic vitality of our community.

event and we look forward to hosting it again this spring on Saturday, May 17th, 2014!

Bocce Ball comes to Towamencin Township

Two Bocce Courts were recently installed at Fischer's Park and used for the first time on Towamencin Day in September.

The earliest direct forerunner of modern bocce was reportedly played in the Italian Alps some two thousand years ago. Popular among Roman soldiers, it was introduced and popularized in regions assimilated into the Roman Empire. The name bocce, in fact, comes from the Latin "bottia", or ball.

The New World first learned of bocce thanks to immigrants from the British Isles, who brought their version, "bowls", with them when they arrived in America.

Even George Washington kept a bowls court at Mount Vernon in the late 1700s.

The equipment needed for a game of bocce are few and inexpensive: eight bocce balls -- four each of two colors - - and a smaller target ball, or pallino. The larger balls come in a variety of sizes and colors, depending on the preference of the players.

Bocce is played with two teams, each of which can have one, two or four players. If the team has a single player, he throws four balls; two players, two balls; and four players, one ball. Each team tries to get its bocce closer to the pallino than those of its opponents.

TOWAMENCIN VOLUNTEER FIRE COMPANY

1590 Bustard Rd and 1260 Snyder Rd, Towamencin, PA 19443 • 215-362-2776

Towamencin Volunteer Fire Company (TVFC) this July dedicated its Memorial next to our main fire station on Bustard Rd. in memory of its deceased Life Members and members who died while serving with the fire company. The dedication ceremony was attended by local and state representatives, neighboring fire companies, family members of those being recognized and many residents. The memorial walkway serves as a tribute for future generations of residents and members to remember those that gave unselfishly to TVFC in serving this community. The walkway is paved with many bricks purchased by those wishing to remember or honor someone. There is still opportunity to purchase bricks in memory or honor of someone and to have it placed in the walkway. If you are interested, forms to order can be picked up at the firehouse any Thursday evening during company practice.

Following the memorial dedication service, TVFC was the host fire company for the annual North Penn 5th District Fireman's Water battle, where local fire companies compete in several events of fun against each other. The water battle was well attended and it was our pleasure to host this year's event once again.

In June, TVFC once again sponsored, with the support of the Towamencin Police Department, Home Run Derby for township youth at Fischer's Park. Our support of this event provides youth of many ages from our township to compete locally with the opportunity to move into regional competition under this program. Congratulations to the youth that participated this year.

One of the many things TVFC members do during the year is work on fund raising opportunities. On September 7 we once again held our annual Chicken Barbecue dinner fund raiser. This was our 48th year in providing this dinner to the community as a means to aid in funding the fire company budget. This entails significant work by the men and women of the fire company and ladies auxiliary above and beyond the hours in training and responding to alarms. Your support of this event over the years has made this a

success for us. We THANK YOU for your support each year of our Chicken Barbecue dinner. Your response makes it worth the effort. Also, a special thanks to the many business people in the area that provide us our supplies for this event. We couldn't do it without you.

Since March, our 2013 Annual Fund Drive has been under way. To those of you that have responded, we again THANK YOU. There is still time to contribute to this year's drive. We ask those who have not responded yet to consider us in your donation plans for the remaining 2013 year.

Over the summer, we received the results and report of the financial audit of our books for 2012. As we have been doing for many years, TVFC engages an external accountant to audit our financial practices and records each year to assure we maintain sound financial compliance, accuracy and follow generally accepted accounting principles. Once again, TVFC records and practices were found to be in sound financial order by the auditor. This report is shared with the township supervisors on a yearly basis.

October brings us Fire Prevention week. TVFC hosts its fire prevention open house, this year on October 3, at our main firehouse on Bustard Rd. for the community to see examples of firefighting and rescue demonstrations and to heighten fire prevention awareness. We also visit schools during fire prevention week and conduct short programs for the children. While all these events highlight fire prevention week, we want to remind everyone that fire prevention is a year round effort. We encourage you to be aware of potential hazards always especially as we enter the holiday season where lights will be hung, trees will be decorated and fireplaces will be burning with warmth and beauty. Remember to take precautions in these activities and make fire prevention a priority for you and your family.

There are many events coming up between now and the end of the year for you to support or participate in. From the Ladies Auxiliary events at our main station on Bustard Rd. beginning with Designer Bag Bingo event on Friday

September 7 to the Craft/Vendor Fair event on Saturday
 October 26 to Pictures With Santa on Saturday December
 10 to the fire company Santa run through the
 township, there is opportunity for you to
 engage with your fire company in fun events
 as you help support us in our service to you.
 Keep these dates on your calendar and watch
 for the events to be posted and advertised.

Finally, being an all volunteer fire company is a rewarding
 community service for TVFC members but with many
 challenges in today's changing and time starved world. The

more members we have volunteering to do the work of
 serving as a firefighter, firepolice or ladies auxiliary member
 the easier it makes it on all of us in serving the
 community. Please consider joining us in
 one of these capacities. Your help is needed
 and appreciated. Stop out to talk to us any
 Thursday night at our main station on Bustard
 Rd about any of these roles. We look forward to talking to
 you and in having you join us.

On behalf of the entire TVFC family, we wish you all a
 safe Fall season and safe and joyous holiday season.

Key Dates To Remember

TVFC Ladies Aux. Craft/Vendor Fair
 Sat., October 26
 9:00AM-3:00PM

TVFC & Ladies Aux. Picture w/Santa
 Sat., December 10
 10:00AM-2:00PM

If you are among the fortunate residents who spend winters in Florida or some other sunny spot, please know that the Post Office does not forward tax bills. The Township/County Tax and Sewer bills are mailed no later than March 1st and the discount period ends on April 30th.

If you would like to have your bill sent directly to you, please submit a written address change to our office at 1090 Troxel Road, Lansdale, PA 19446 no later than February 1, 2014 to assure prompt delivery.

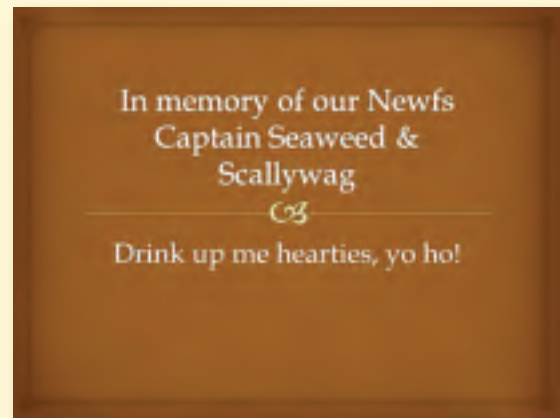

Tax and Sewer Bills can also be paid by credit card on the Township Website at www.towamencin.org.

Please contact 215-368-7602 or dvarley@towamencin.org with questions.

Dogs Agree – Fischer’s Park and the Baumans are Great!

This past June, the Township was contacted by resident Mr. Barry Bauman who noted that he is a regular user of the facilities at Fischer's Park and had been watching all of the new construction going on there. He offered to donate a canine water fountain in the name of two of his dogs, who recently passed away, but absolutely loved going to the park and walking around and swimming in the creek.

The Township Board of Supervisors expressed the Township’s appreciation of the Bauman’s gift at an August Board meeting.
