

SCHEDULE B
TO THE RETAIL ELECTRIC SUPPLIER AGREEMENT
BETWEEN MIDAMERICAN AND TOWAMENCIN MUNICIPAL AUTHORITY
ENERGY SERVICES - BUNDLED FIXED SUPPLY
UTILITY CONSOLIDATED BILLING

DATE: October 09, 2017

This Schedule B replaces in its entirety any prior Schedule B currently in effect between Customer and MidAmerican, relating to Customer's properties identified on Schedule A, effective on or after the account estimated start date listed on Schedule A, UNLESS the term of a previously executed Schedule B extends beyond the term of this Schedule B. Both parties shall fulfill their obligations through the Term of any executed Schedule B.

DEFINITIONS:

ELECTRIC DISTRIBUTION COMPANY. For purposes of these Pennsylvania Schedules any reference in the Retail Electric Supplier Agreement to Local Delivery Company or Delivery Company shall mean Electric Distribution Company (EDC).

For the purposes of these Utility Consolidated Billing Schedules only, relating to Customer's properties identified on Schedule A, the Billing and Payment paragraph in the Retail Electric Supplier Agreement is hereby deleted and replaced with the following:

UTILITY CONSOLIDATED BILLING. Customer will continue to receive a single bill from the Electric Distribution Company each month that will include charges from MidAmerican. Payment will be due in full on the due date listed on the invoice. Late payments will be subject to the Electric Distribution Company's billing practices and procedures.

PRICING PERIOD. The time period set forth below in the Pricing Period ("Pricing Period") corresponds to the Customer's meter reads of the Estimated Start Date and Estimated End Date, as listed on Schedule A.

FIXED PRICE. The Fixed Price will be applied to all usage within the respective Pricing Period.

Pricing Period	Fixed Price (\$/kWh)
Dec 2020 - Oct 2022	\$0.03631

The Fixed Price in this Schedule B includes the following additional items, which may be subject to change in accordance with approved tariffs, operating agreements, business protocols and business practices of the Electric Distribution Company, regional transmission organization (RTO), or independent system operator (ISO):

- **Ancillary charges** include all other electric services as required under the applicable tariffs and operating services agreements with the RTO, ISO, or Electric Distribution Company and are based on MidAmerican's incurred costs.
- **Line Losses** charges are based on the combined transmission and delivery tariff loss factors applied to the Fixed Price for each account separately.
- **Renewable compliance charges** including but not limited to costs associated with renewable portfolio standards or all other environmental and renewable program compliance costs required by the Electric Distribution Company, state or federal regulatory agencies and will be based on MidAmerican's incurred cost.

Any future changes in the business practice or business protocols of the Electric Distribution Company, RTO, or ISO; Capacity charges, Ancillary charges or applicable delivery or transmission tariffs that affect the items included in the applicable Transmission charges, Line Loss charges, Renewable compliance charges or Fixed Price, as defined in this Schedule B, may be incorporated herein as a separate adjustment as of the effective date on which the change occurs or thereafter.

In addition to the Fixed Price in this Schedule B, MidAmerican will include and Customer will pay the following as additional line items on the monthly invoice:
