

2022 COMMUNITY PARTNERSHIP PROGRAM

Towamencin Township takes great pride in keeping a safe, enjoyable, and beautiful community. Part of that process is organizing events that are family friendly and affordable for our residents. We offer several events to engage a variety of ages and interests. Sponsors make it possible for Towamencin to create experiences to connect to our residents. It also provides an opportunity for businesses and organizations to advertise their products/services and connect with their consumer base.

We offer other marketing opportunities, such as: ball park signs and newsletter advertising, in order for sponsors to maximize their exposure to our community. Please join us in becoming part of a growing and thriving network of wonderful people, developing the future of Towamencin Township! Additional Advertising Opportunities:

Newsletter Advertising: The Township's biannual newsletter reaches a combined 7400 residents and business owners, in addition to online views on the Township's website. We offer color ads which run in both the spring and fall newsletters. Our newsletter is larger in size compared with other municipal newsletters, providing more content for our readers and maximized advertising potential to our sponsors. Our newsletter is environmentally friendly, attractive and recyclable.

Non-Monetary Donations: At times, in lieu of money, businesses donate food/drinks or other prizes for Township staff to use at our events. If you cannot give money, but would like to contribute in another way, please reach out to events@towamencin.org to see what needs are available.

Ball Park Signs: We offer 4' X 8' high quality aluminum sign, with your company's logo printed on it. Our staff affixes the signs along the fences of the baseball fields at either Bustard Park or Butch Clemens Park, during baseball/softball season, from April through September.
