Grist Mill Park Playground & Improvement Project

Improvements include an inclusive playground, a basketball court, cornhole and ping-pong activities, a pavilion, handicapped parking, and a perimeter trail. The Township received a \$250,000 grant from the PA Department of Conservation and Natural Resources (DCNR) and a \$175,000 DCED Local Share Account Grant. The success of this project is due to the support, dedication, and hard work of Township Supervisors and Staff, Rob Gladfelter of Simone Collins Landscape Architecture, the Open Space and Parks Advisory Committee, Mary Stover of CKS Engineers, and grant funding assistance from State Senator Tracy Pennycuick and State Representative Liz Hanbidge.
